Fishing Tournament

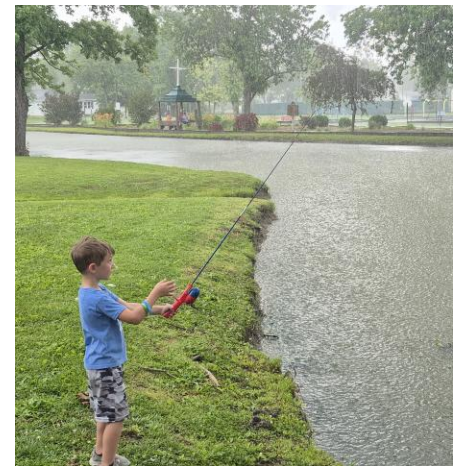

IDNR Free Fishing Weekend

The annual Harrisburg Township Park District Fishing Tournament will begin on Saturday, June 20 at 6:00 AM. There will be a certain number of tagged catfish stocked in the lagoon for this season's fishing contest. Please do not bring your tagged fish into the Park Office (during normal office hours), only the tag from your fish. When you bring your tag in, you will be allowed to choose from an assortment of fishing related prizes. There is no limit on the number of tagged fish you can catch. You must have a license to fish with the exception of Free Fishing Weekend.

Illinois Department of Natural Resources annual Free Fishing Days in 2026 will take place over an extended weekend from June 19 to June 22. During this four-day period, residents and visitors can fish in any of the state's waters without needing a fishing license. All daily catch limits, size limits, and fishing rules remain fully in effect.

Grab your poles and come enjoy a relaxing day of fishing at the park.
